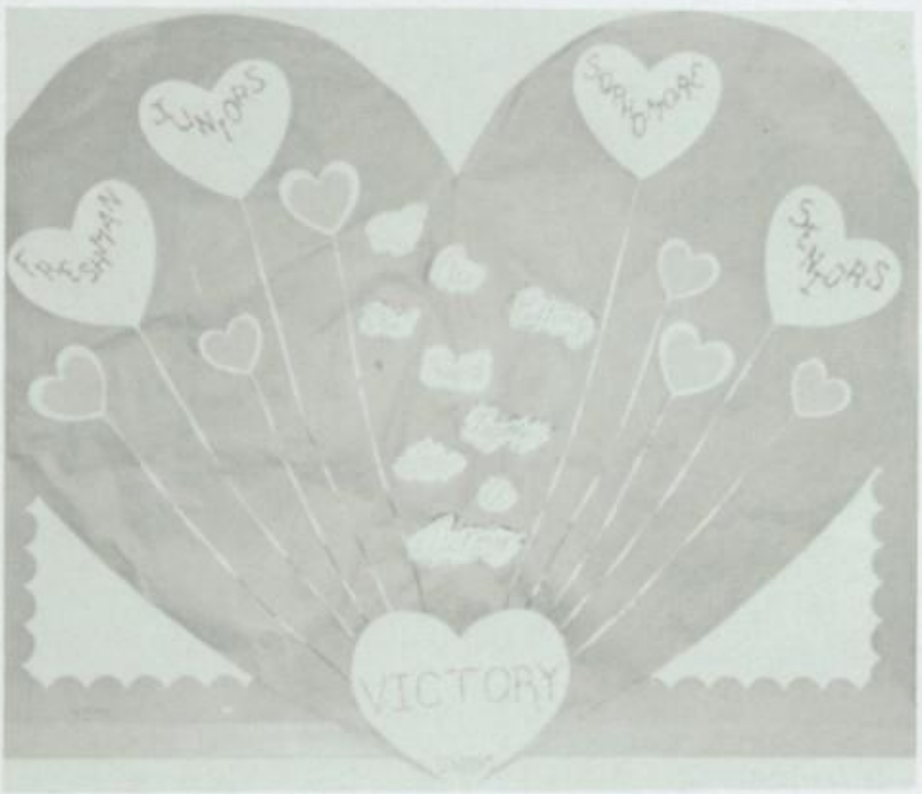
AFTERWORD	92

As each of us follows our path in life, we will remember these years.

We will remember our friends,
the laughter, and the pain.

Our smiles reflect the memories
locked deep within our hearts.



We have grown so much and
yet, we will grow forever.

IN MEMORY OF

STEVEN MILLER SKONE

September 4, 1944 - October 2, 1986

The Warden community was saddened at the loss of a prominant citizen and businessman, Steven Skone. He was part owner of the family business of Skone and Connors Produce Company and founder of Russet King Potato Company. Steven was an important asset to the civic community as well. He was an active member of the school board for thirteen years, serving as chairman for four years and legislative representative for six years. He was a person who could be counted on to help and to cooperate with a level head and bright ideas. According to Mr. Eikum, "He had good business sense and knew his finances very well". Steven was a respected leader of the Warden Lions Club. He held the office of President in 1982, Outstanding Lion Award in 1983, Tail Twister for two years, and Secretary of the club for two years. Mr. Skone always knew where he was needed and made sure he was there. He was a great example as a community leader and the school community joins his family Kathleen, Doug, Erik and Stacey in remembering him as a caring and thoughtful person.

"THE YEAR 2087"

"The year 2087" was chosen by the students for the 1986 homecoming theme. The week of the "space age" began on October 21st and ended on October 25th. Tuesday, which was the first day of homecoming week, was dress-up day and the students came dressed in their finest attire. Wednesday was class competition when seniors wore hats, juniors ponytails, sophomores ties, and freshmen lipstick. Also on this day was a lip-sync contest with a Sock Hop following. That night was the bon fire, pep rally, and the announcement of the royalty nominees. Thursday was theme day, and everybody came dressed as "space" people. Friday was Blue and White day with a pep assembly, the first ever to be held on the football field. There the competition continued and the homecoming royalty was announced. At 7:30 p.m. that night was the game against Waitsburg-Prescott. The Cougars defeated the Vandals with a score of 40-13. Saturday night was the dance, with "The Big Bear" from KZZK as disc jockey. The overall competition resulted in two ties. First place went to the seniors and juniors, and second place went to the sophomores and freshmen.

This fall, 33 hopeful boys started two practices a day. As the season progressed, about 10 boys had to drop the sport due to injuries. Although the injury problem plagued the club all season, the boys had a very successful year in that they gave total output. Many teams congratulated them on their school spirit and excellent sportsmanship. The team ended the year with a 4-5 record while the Junior Varsity had a 2-2 record. Many players are eager to begin the 1987 season and improve last year's record.

VOLLEYBALL

VARSITY - Front row: Gina Moreno, Mari Prieto, Kristi Payne, Janeen Ross, Mary Gordon, Heidi Trammell back row: Coach Kelly Kight, Rosa Pruneda, Selina Guerra, Shelley Cox, Shani Frees, Lisa Jones, Mary Shuler, Nano Moreno Stat

The 1986 Warden Volleyball team ended its season with a heart-breaking loss to Glenwood that kept the Cougars out of the State Tournament. In spite of the disappointing finish, this volleyball season was one of the most exciting and productive in years. The C-squad team finished 9-2, while the J.V. destroyed nearly every team they played and went on to an 11-2 season. In the District Tournament, the Cougars picked up wins over Klickitat and Glenwood to advance to the finals against arch rival Granger. When the smoke had cleared, Warden fell victim to both Granger and Glenwood, missing the State Tournament by a mere two points. Seniors Selina Guerra and Lisa Jones provided leadership and poise that earned them first team All-Opponent honors. With only two seniors graduating this year, next year promises to be another banner year for Cougar Volleyball.

Even as hopes of playoffs were lost on the last night of the regular season, our disappointment was mixed with optimism and new resolve for a brighter future. Through the season our players exhibited growth in skill level as well as an appreciation of the commitment that this game requires of them. Even though our efforts were sometimes frustrated by inconsistency, these boys demonstrated that they were capable of playing with some of the best teams in the state and can certainly be proud of the efforts they put forth. Yes, we are optimistic, and not without reason! Lead by all-opponent selection Gabe Caballero, six lettermen will be returning next year.

In 1987 the Lady Cougars took up where they left off in '86. They immediately began to let the opponents know they were a team you would have to contend with, going 3-2 in non-league games. The two losses were to A schools.

The Lady Cougars ended the regular season with a 14-6 record. Qualifying for district, the Cougars went as far as any Warden team ever has by playing for a spot to the state tournament. The team's season record was 17-8.

With all players returning, the future looks very bright indeed.

Warden continued to dominate our league this year. With wins over all of our league opponents, we continued our streak of league championships. Warden placed second at District, third at Regionals, and tenth at State in 1986-87. Jaime Valdez and Ryan Frees, team captains, scored enough points on their way to the finals to place Warden in the top at State.

AFTERWORD

We, the Cougar Tales Staff have compiled the pages of this book to preserve our memories so that as each of us follows our path in life, we will remember our friends, and the laughter and the pain that was the school year 1986-87.
